Saturday, September 10, 2022

- Dinner at Natsunoya Tea House
  - The memoriam that was made for all the classmates that have passed was just so beautiful. Each school had a lantern that listed classmates names.
  - Hula performance done by classmates from the various schools.
  - Large give aways donated.
  - Of course the food was delicious.

It was a fun fill event and we got to see many of our MHS 72, elementary and intermediate school classmates we haven't seen in years. Some of whom have move away from the islands. We were very happy that they came back and we were able to see them. Please check out the website at [www.hawaii72.com](http://www.hawaii72.com) for event photos.

**Seoul / Osaka 2023**

If anyone is interested in traveling now that most of you are retired, Hawaii 72 has been planning group tours to various destinations. Most recently, the group went on a 7-day Canada / New England cruise that departed from Montreal ending up in Boston in May 2022.

Next planned private group land tour is Seoul / Osaka, October 17-27, 2023. It's during the fall so it should be beautiful to see the changing of the leaves and the weather is not that cold yet. Please contact [suzishimada@hotmail.com](mailto:suzishimada@hotmail.com) if you are interested in joining the group for a fun filled adventure.
